

Vacuumschmelze
www.vacuumschmelze.com

A leading global manufacturer of advanced magnetic materials. Products include high quality crystalline NiFe cores as well as current transformers, chokes, XDSL, current sensors and rare earth magnets.

SunLED Corporation
www.sunledusa.com

SunLED is one of the world's leading manufacturers of optoelectronic products and offers an exceptional extensive line of LED Lamps, Surface Mount LEDs, and LED Displays.

Samxon Electrolytic Capacitors
www.samxon.com

One of the world's top five manufacturers of electrolytic capacitors. Samxon also offers Conductive Polymer Aluminum Solid Capacitors ("Polymer Caps").

Okaya
www.okaya.com

Okaya is a world wide company that designs, manufactures and markets LCD,LED and Gas Plasma Displays and Electrical Noise Suppression Components.

Alpha Industrial Power
www.alpha.com

Industrial grade powering solutions through a diverse product line of large-scale battery systems, chargers and uninterruptible power supplies. Power generation facilities, substations, electrical utilities, transportation systems and communications networks.

Riedon Resistors
www.riedon.com

Manufacturer of Wirewound, Thick and Thin Film, and Foil Resistive Products.

NDK
www.ndk.com

NDK is the industry's largest manufacturer of crystals and crystal oscillator products.

Raltron Electronics Corporation
www.raltron.com

Raltron offers the most comprehensive line of frequency management devices in the industry: Clock Oscillators, Crystals, Bandpass Filters/Duplexers, Programmable Clocks, Resonators and SAW Devices.

Etron Technology Inc.
www.etrone.com

Dynamic Random Access Memories (DRAMs) suitable for a broad portfolio of 3C products requiring high memory bandwidth or low-power features. Also offering a full lineup of green DRAM products in accordance with the Restriction of Hazardous Substances (RoHS) Directive.

L-Com, Inc.
www.l-com.com

L-com is a leading U.S. manufacturer of coaxial and data cables, coaxial connectors, adapters, Wifi boosters, HyperLink antennas and more. Experienced in designing custom products: cable assemblies, connectors, adapters, RF amplifiers, Wifi antennas and outdoor enclosures.

Mechatronics
www.mechatronics.com

Fans, Blowers, and accessories products to support a wide range of industries including Telecommunication/Networking, Medical, Industrial, Appliance and Food Service.

Mag.Layers
www.maglayers.com

RF Filters / Antenna – LTCC, Multilayer Chip Beads, EMI Common Mode Filters, Multilayer Chip and SMD Inductors.

Para Light Electronics
www.paralight.us

SMD LED's, LED Lamps, 7 Segment Displays, DOT MATRIX Displays, LED Light Bars.

CONTA-CLIP, Inc.
www.contaclipinc.com

A leading global manufacturer of Terminal Blocks, PCB Terminal Blocks, Cord Grips, Enclosure Systems, Splice Connectors, Power Distribution Blocks, TELE Automation Control Components.

Samwha Capacitor Group
www.samwha.com

A Leading manufacturer in the Soft Ferrite Core Market, providing solutions in EMC Components, Inductor Coils, and Magnetic Powder Cores.

Wima Capacitors
www.wima.de

Film Capacitor, X2 and Y2 Metallized Paper Capacitor, Mixed Dielectric (polycarbonate replacement) Capacitor.

Wall Industries
www.wallindustries.com

Custom solutions, DC/DC Power Converters, AC/DC Power Supplies.

Maida
www.maida.com

Maida is the industry's top rated manufacturer of Varistors, Thermistors, High Voltage Ceramic Disc Capacitors.

DIPTRONICS MANUFACTURING INC
www.dip.com.tw

Diptronics manufacturing Inc. specializes in producing and developing Dip switches, Tactile switches, and other precision switches, such as Slide switches, Detection switches, Push & Lever switches and Rotary switches.

Evergreen
www.evergreencpusa.com

Evergreen offers a full line of alkaline, high voltage alkaline, lithium coin and cylindrical cells, nickel cadmium, nickel metal hydride, zinc chloride, alkaline manganese button cells, silver oxide button cells, zinc chloride lantern batteries and lithium polymer for RFID applications.

Senior Industries
www.seniorindustries.com

Senior Industries provides specialty application, electronic components, and hardware products designed and produced to meet the highest standards.

Spacecraft Components
www.spacecraft.com

Spacecraft Components, founded in 1962, manufacturer of dust caps, termination bands, 5015 and reverse bayonets focused in the railways/transit, military, aerospace and various harsh environment markets.

Aker Technology Company Ltd.
www.aker-usa.com

Aker Technology manufactures and markets high volume and competitively priced frequency control products for commercial, industrial, and automotive applications, including quartz crystals, clock oscillators, and ceramic resonators.

GE Prolec
www.prolecge.com

Prolec GE, located in Monterrey, Mexico, is one of the largest transformer manufacturers in the Americas, offering a complete line of transformer products necessary for the generation, transmission, of electric power. With over 30 years of experience in the industry, bringing products and services of the highest quality that exceed customer's expectations, Prolec GE products are installed in more than 35 countries around the world.

Howard Industries, Inc.
www.howard-ind.com

Howard Industries medium power substation transformers are designed and built to provide outstanding performance and reliability in the most demanding utility and industrial applications. Howard Industries offers Distribution and Power transformers for oil filled poll and pad mount.

Power Solutions from Whitehead & Associates, Inc.

An Alfa Electronics Alliance Partner

Prysmian S.p.A.
www.prysmianusa.com/energy

As a global solutions provider, Prysmian offers a wide range of integrated solutions, such as cable systems, engineering support for system design, installation, and post-sale services. Products include MV-105 cable, shielded armor type (Airguard), VFD cable, Elaspaced Cold Shrink splices, and terminations (5-35KV).

S & C Electric Company
www.sandc.com

S & C Electric Company is a global provider of equipment and services for electric power systems, including transmission and distribution switchgear, AIR & SF6 Insulated, Purewave UPS Systems, Energy Storage, and analytical studies.

The Trench Group
www.trenchgroup.com

The Trench Group is a worldwide leading manufacturer of High Voltage Products such as Instrument Transformers, Bushings, and Coil Products and is guided by the values of experience, power of technology, culture of innovation, and global perspective. Products include Substation CT, PT, combined instrument transformers, current limiting reactors, line traps, tuners, and more.
